Purpose and impact

Under the direction of the Area Practice/Locality/Specialist Manager and Advanced and Experienced Practitioners, to provide an assessment, support planning and review service in order to ensure that:

- vulnerable people are safeguarded and supported in managing risk
- person centred outcomes and support requirements are identified, and
- customers are encouraged and enabled to live healthy and independent lives for as long as possible.

To work closely with colleagues in the health, early help, community and voluntary sectors ensuring that person centred outcomes are met in ways which utilise available resources as effectively as possible and to work within organisational policy and legislative requirements.

Key responsibilities

1. Under the direction and supervision of an Area Practice/Locality/Specialist Manager and Experienced or Advanced Practitioners, undertake allocated assessments, person centred support planning and reviews.
2. To undertake straightforward financial assessment and provision of welfare benefits advice signposting to specialist services where appropriate.
3. To provide information, advice and signposting to help people stay healthy, plan for their future needs, use services effectively, take responsibility for their own health and care.
4. To ensure assessment outcomes are planned to maximise the impact of prevention and recovery services to support independence.
5. To encourage and support people to look after themselves, their families and their communities promoting choice and control for people and the use of personal budgets and direct payments.
6. To work jointly with colleagues in early help and in the voluntary sector to identify local resources and voluntary services which can contribute to healthy communities and deliver person centred outcomes.
7. To assist people to have realistic expectations about the support and care that the Council is able to offer, through involvement and communication and ensure the most effective and targeted use of resources to meet customer outcomes.
8. To proactively support and actively contribute to the delivery of integrated health and social care services and to build effective relationships with health partners and the voluntary and community sector.
9. To attend team meetings and other meetings relevant to the work of the service group.

10. To operate within financial and budgetary guidelines.
11. To promote and safeguard the welfare of children and vulnerable adults alerting the Area Practice/Locality/Specialist Manager or Experienced Practitioners of safeguarding concerns.
12. To undertake training and development as required.
13. To maintain records and input and maintain records on core computer systems as required and undertake training as necessary.

15. To contribute to the provision of a response to civil emergencies as required.
16. Any other lesser or comparable duties as required.

At Level 1:

17. To work within recognised general guidelines to undertake straightforward assessments; support planning and reviews with access to significant coaching and practice support to make evidence-based decisions.
18. To offer direct payments and personal budgets to eligible customers in order to help them to achieve identified outcomes for them and their carers making best use of financial and community resources.
19. Commissioning support where required.
20. To monitor and review on-going case requirements, adapting budgets or commissioned support to ensure delivery of assessed outcomes.
21. To undertake reviews and monitoring of on-going requirements, adapting support plans to ensure delivery of assessed outcomes making the most effective use of resources.
22. To undertake financial assessments and provide early help signposting and straightforward welfare benefit advice.
23. To undertake simple moving and handling assessments and assessments for building adaptations and equipment provision.
24. To participate in team duty and referral taking systems as directed.

At Level 2:

25. In addition to the above, to undertake moderately complex assessments requiring more detailed assessment and problem solving. Whilst required to act autonomously, coaching and professional expertise and practice support will be provided by the Area Practice/Locality/Specialist Manager or Advanced and/or Experienced Practitioners to support decision making.
26. Shared Lives Officers are expected to monitor and review the compliance and safety of the provision of care and support in a Shared Lives placement. They must be able to evaluate whether remedy is required in order to address any concerns and take prompt action to address them. Joint working with commissioners and healthcare providers will be essential in ensuring that the provision of care and support remains safe, effective and person-centred.

NB: The duties and responsibilities of this post are not restrictive, and the post holder may be required on occasion to undertake other duties. This will not substantially change the nature of the post.
