Established in 2011, Hamwic Education Trust (HET) is one of the largest multi-academy trusts in the South of England. We have a growing number of schools and partnerships spread across Portsmouth, Southampton, Poole and Dorset.

Our core principle is to place the child at the heart of everything we do. We celebrate the uniqueness of our pupils, staff, and schools, striving for everyone to reach their full potential through the opportunities we provide. We aim to create an environment where both pupils and adults can thrive. As a learning organisation, we are committed to continuous improvement for ourselves and others. Our strength lies in our people, whom we value and develop. We bring professional expertise and experience to secure the highest possible achievement for all.

We are passionate about delivering education and believe that every local school should be good enough for its community. To achieve this aim, we put the child at the centre of everything that we do. This concept is the driving force behind our ethos, vision and values – and also our decision-making.

A key strategy to ensure we do the best by our pupils is our 'one team approach'. Investing in our staff through a strong development programme and a combined common purpose is what underpins our drive for school improvement. Leaders, teachers and support staff at both school and trust level work together as one team to deliver the Hamwic vision.

The role will work alongside school leaders and Designated Safeguarding Leads to provide professional advice, challenge and support, promoting high-quality safeguarding procedures and consistently strong practice.
