Thank you for your interest in the post of Head of History at Lytchett Minster School.

We are looking for an enthusiastic and inspirational teacher to lead a well-qualified and effective team of specialist teachers. The ideal candidate will be committed to realising the potential of students studying History and Government and Politics.

This information aims to give you an insight into the culture of the school and the specific role being advertised. Full details including application forms and general school details can be found in the vacancies section on the school website.

This post represents an excellent opportunity for a well-qualified, ambitious and experienced teacher who has a successful track record of teaching history and who is now interested in developing their career further.

## The History Department

It is an exciting time to join the History team at Lytchett Minster School. The purpose-built accommodation, provides us with outstanding facilities; we have 4 dedicated History classrooms all of which are equipped with overhead projectors. There is access to a staff office and communal working space and the department is very well resourced.

The History Department currently consists of 4 full-time teachers and 2 part-time teachers. A Head of Department leads a committed, friendly and innovative team in its teaching. There is a good balance of experience and enthusiasm and an ambition amongst department members to challenge students to reach their full potential.

History is certainly an admired and well-subscribed subject. At GCSE and post-16 it remains one of the most popular option choices (240 students currently take GCSE History and 70 take AS/A level History). The History department also takes responsibility for the teaching of A-Level Politics and there would be an opportunity to teach this for the right candidate.

We believe that History is an essential part of the balanced, broad and relevant curriculum. By engaging with the past and developing their understanding of the range of societies, political structures, cultures and beliefs that influenced the actions of people in the past, students develop their individual and collective sense of identity and learn to appreciate the diversity of the world in which we currently live. History places emphasis on the value of rational explanation and is a vital element in assisting the development of enquiring and disciplined minds in young people.

Schemes of work are provided for all year groups but also allow a degree of flexibility: colleagues are welcome to adapt and change these to incorporate their own ideas.

From September 2025, History will be taught for three hours per fortnight in Year 7, 8 and 9. Students will begin with an introductory '*What is History?*' unit and then go on to look at the Norman Conquest and life in Medieval England.

In Year 8 students currently study the Tudors, the English Civil War, Cromwell and the Interregnum and slavery while, in Year 9, they focus on the Industrial Revolution, the First and Second World Wars, the Holocaust and an exploration of Post War Britain and a global post war study.

At Key Stage 4 students are taught the AQA specification completing units on:

- Germany 1890-1945 – Democracy and Dictatorship
- Conflict and Tension – The First World War 1894-1918
- Britain: Health and the People c1000-present day
- Elizabethan England c1568-1603

At A-Level, students complete units on Tsarist and Communist Russia, 1855-1964 and the Making of Modern Britain, 1951-2007. The NEA (coursework) unit is completed on the causes of The American Civil War however some students do complete their own projects on topics of their choice with approval from The Head of Department.

We are keen to offer students educational experiences beyond the classroom and as such the successful candidate would have the opportunity to take part in and potentially lead trips as the school seeks to re-integrate more history trips back into the curriculum. An annual trip is offered by the department to the Battlefields of Ypres and the Somme which is the highlight of the year for year 10 pupils.

## Post Details

This is an exciting opportunity is available for an experienced, knowledgeable and skilled specialist History teacher eager to develop their career in an exceptionally well-equipped department within an outstanding and attractive school to lead a team of specialist historians.
