Dear applicant

Thank you for taking the time to consider an application to the Wessex MAT.

This is a new leadership post following a re-structure of senior roles, so it is a great opportunity for you to make an impact on the way we support the education of over 6000 children and young people in this part of Dorset. We have grown significantly in a relatively short space of time to create a thriving and successful education community. We have the full range of schools from early years through to post-16 covering every phase of education. It makes it an exciting place to work, and we put learning at the centre of everything we do including our own learning and development.

As with any leadership role there will be elements of the mundane and routine, but we are looking for someone who has the ability to lead on key areas of policy and take responsibility for impact. You will also be part of the wider leadership team influencing the future direction and operation of the trust as it continues to grow and develop.

In return we can offer you a stimulating and challenging environment with quality training and plenty of support. Wessex employees are eligible for a full benefits package after a qualifying period including a generous pension scheme, salary sacrifice schemes, employee assistance programme, conference days and further training.

I understand the time and effort that goes into making an application so please accept my thanks in advance if you decide to proceed beyond this initial interest. We have tried to include as much information as you need in order to make an application, but without overwhelming you. If you need further information, or you would like to have an informal discussion, please contact us at [admin@wessex.ac](mailto:admin@wessex.ac) or go to the website [www.wessex.ac](http://www.wessex.ac)

Applications should be made online: [www.jobs.dorsetcouncil.gov.uk](http://www.jobs.dorsetcouncil.gov.uk)

We very much look forward to hearing from you.

All best wishes

Mike Foley
